## DETAILED ACTION

### *Allowable Subject Matter*

The following is an examiner's statement of reasons for allowance: claim 1 has been allowed over the prior art because they fail to teach a laser device comprising: *an n-doped cladding region and a p-doped cladding region; an optical guiding region disposed between the n-doped cladding region and the p-doped cladding region; and an active region disposed within the optical guiding region; wherein the laser device further comprises at least one optical confinement region disposed between the active region and at least one of the cladding regions, the at least one optical confinement region having a lower refractive index than the at least one of the cladding regions, the composition of the n-type cladding region is selective such that the energy of the DX level in the n-type cladding region is greater than the Fermi level in the n-type cladding region and the laser device emits light in the visible region.*

The following is an examiner's statement of reasons for allowance: claim 19 has been allowed over the prior art because they fail to teach a semiconductor laser comprising; *the composition of the n-type cladding region is selected such that the energy of the DX level on the n-type cladding region is greater than the Fermi*

**level in the n-type cladding region.**

The following is an examiner's statement of reasons for allowance: claim 22 has been allowed over the prior art because they fail to teach a semiconductor laser comprising; **the active region disposed within the optical guiding region; wherein the energy of the DX level in one of the cladding regions increases away from the optical guiding region.**

Claims 2 – 7, 9 – 18, 20 – 21, 23 – 31 has been found allowable due to their dependency on claims 1, 19 and 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reason for Allowance".
